A LONG STORY THAT BEGAN IN 1956

A path of growth and development that led Porte IMIC Spa to become a world leader in the manufacturing of interior doors

MISSION

Porte IMIC S.p.A has always been an interpreter of new values such as creativity, design and production. For this reason all components of the door; door panel, door frame jamb, architraves and kits for sliding doors etc are produced internally.

R&D

Each year IMIC doors S.p.A. offers new models, the result of a ongoing research of the market and its trends. A
strategic approach that enables the company to be innovative and proactive.

DAILY PRODUCTION

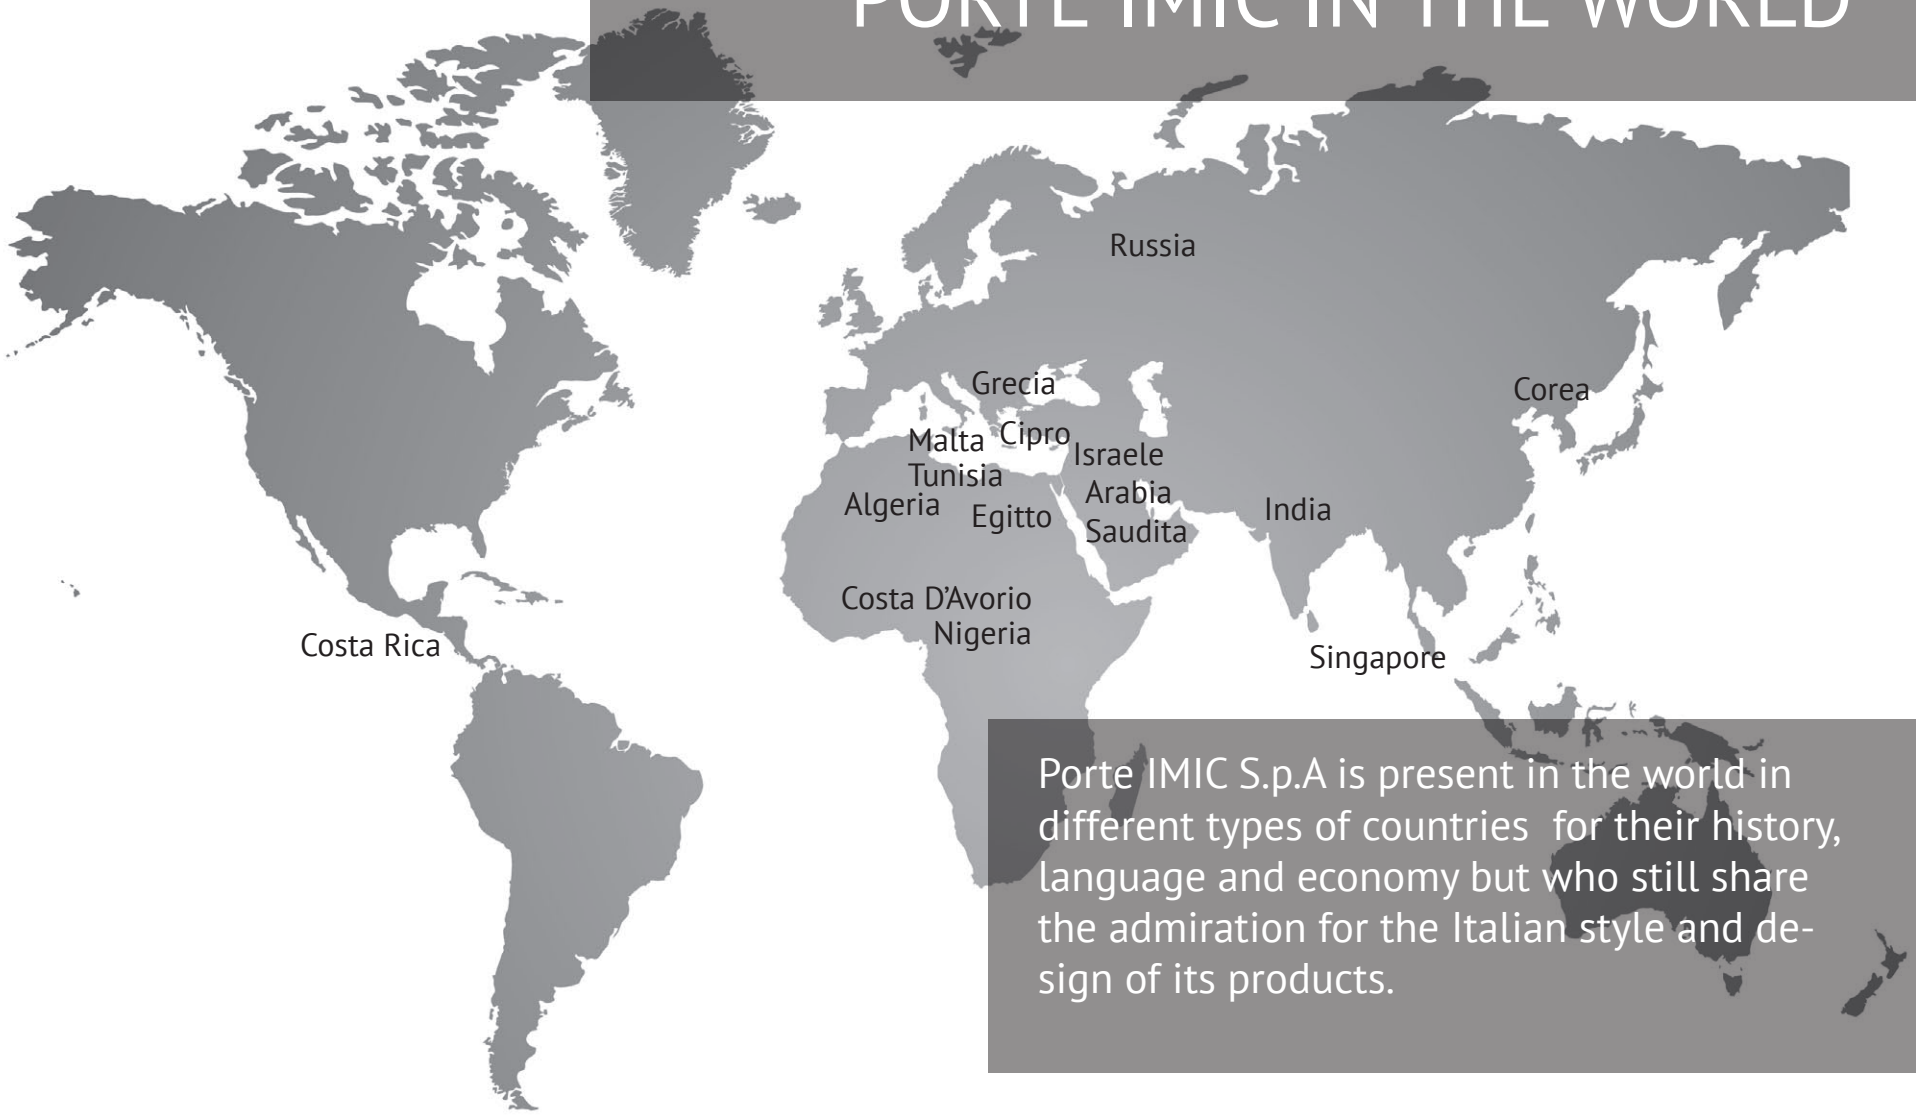

- 550 doors
- 2500 architraves
- 2500 door frame jambs
- 600 kits for sliding doors

DISTRIBUTION CHANNELS

- Joiners
- building material retailers
- Fabricators/door fitters
- international distributors
- Contracts and Project business

PORTE IMIC IN THE WORLD

Porte IMIC S.p.A is present in the world in different types of countries for their history, language and economy but who still share the admiration for the Italian style and design of its products.
