NOTIFICATION OF INTENT TO INVITE BIDS

INTERNATIONAL COMPETITIVE BIDDING (ICB) FOR NATO INFRASTRUCTURE WORK IN NORWAY

1. The Government of Norway, represented by the Norwegian Defence Estates Agency (NDEA) invites firms of NATO nations to participate in bidding for material and services in connection with the following project, when authorised:

- Norway – Airfields – Oerland – Restore AWACS Platform – Serial 2009/5AF11134-0

This is a notification in advance of project approval in accordance with AC/4-D(2261)(1996 Edition). The purpose is to have the initial paperwork as specified in this document. A NATO investment Committee decision is required before subsequent action can proceed.

2. The contract will be administered by:

- Norwegian Defence Estates Agency (NDEA)

3. The cost estimate for the works to be included in the bids is EUR 820 000.-

4. It is the intention to let a contract to one contractor only on a “turn key” basis.

5. The scope of work is:

- Replace existing concrete pavement with concrete bricks – 12 500 m².

- Replace concrete foundation for hangar gate – 330 m².

6. Firms wishing to be invited to bid must formally express their desire to Norwegian Defence Estates Agency (NDEA) within noon on four (4) weeks after authorisation.

NOTE: Only firms having obtained a “Declaration of Eligibility” by their country of origin will be invited to participate – AC/4-D/2261, para 5(ii)(a) refers. A statement to that effect shall be given to NDEA within the above given time limit.

7. The invitation for bids is expected to be issued first week of February 2011. The bid closing date will be 42 days from the date of distributing the “cashier des charges”. The bids shall have a validity of 6 months. The documents will be in Norwegian language.

8. The Invitation for Bid will be an unclassified document. However all personnel involved in site visits, installation etc are required to have a NATO RESTRICTED clearance.

9. The company names and addresses should be transmitted to:

Norwegian Defence Estates Agency

P.O.Box 405, Sentrum

N-0103 Oslo

Norway.

10. The project will be identified as: Oerland 5AF11134 Restore AWACS Platform

Oslo, 6th December 2010.
